Are you looking for activities to entertain those in attendance at your next event? That's where our company can help you out. Finding activities to thrill participants of all ages can be a challenge. Since 2001, we have provided clients with NASCAR-style entertainment for all types of occasions.

As I'm sure you know, NASCAR racing is one of the most popular forms of entertainment these days, and is enjoyed by all ages. We feature a 16' x 24' banked oval speedway with 4 large scale, remote control, slotless stock cars featuring today's hottest drivers. The track can be set up either indoors or outside under our tent. Players can experience the thrill of NASCAR racing by jumping behind the wheel of their favorite car and driver.

For special events, festivals, company picnics, corporate events, promotions, church and school functions, any and all occasions, Micro Reality NASCAR Racing is a great traffic builder and tremendous crowd pleaser when you want maximum response and positive results.

The enclosed brochure shows the exciting action that can be had with our Micro-Reality Speedway. If we can answer any questions for you, or you would like to schedule a booking, please contact us at 501-827-2653 or 501-827-3673.

Thank you,
Mark & Jannett Williams

Put Your Next Event in the Winner's Circle with Speedway Entertainment !!!
